LIQUOR  
AND CO

Dear Guests,

Winter 25/26

Winter is truly rolling in. So we've stocked up the bar with spiced cocktails, rich seasonal pours, and a few festive creations to see you through the long nights. Comfort in a glass, mischief in a bottle, and just enough spirit to make the cold feel like an afterthought.

From quiet midweek escapes to weekends that go a little bit further, you've made Liquor and Co. the neighbourhood drinking den it was always meant to be.

Here's to another winter of good liquor, great company, and the kind of stories worth retelling.

# LEGENDS

We can't take all the credit. We're standing on the shoulders of giants (or maybe a barstool!) Tipping our hats to the legends who made it look easy.

Here's a few of our favourite cocktails – built on tradition, served with a twist, and ready for a good time.

# COCKTAILS

Every drink on this page started life the same way ours usually do, scribbled in a notebook, argued over late-night shifts and tested until it made us smile. These are the cocktails our team actually drink, the ones we're proud to slide across the bar. Nothing added for show, just good pours, good ideas, the kind of drinks that makes winter worth celebrating.

# CLASSICS

Got something else in mind? Have a word with your bartender. This menu's packed with our own creations and a few personal favourites, but we've got the classics covered, too – plus past hits, off-menu gems, and more mocktails than you can shake a muddler at.

If it's got a name, we can probably make it.

At Liquor and Co. we are proud to stay true to the principles of professional bartending and as such we free pour all cocktails in accordance with the weights and measures act (1985). We define all drinks with three or more liquids as cocktails.

Should you prefer to have a spirit of your choice served straight or just with a single mixer. We will of course serve these in the legally prescribed measures of 25ml or 50ml.

All prices inclusive of VAT at current rates. All our wines by the glass are available in 125ml. Please ask your bartender.
